Apparent Slogger Herbicide

STORAGE AND DISPOSAL

Store in the closed, original container in a cool, well-ventilated area. Do not store for prolonged periods in direct sunlight. Do not store near food, feedstuffs, fertilisers, seed, insecticides, fungicides or other pesticides.

drumMUSTER

This container can be recycled if it is clean, dry, free of visible residues and has the drumMUSTER logo visible. Triple-rinse container for disposal. Dispose of rinsate by adding it to the spray tank. Do not dispose of undiluted chemical on site. Wash outside of the container and the cap. Store cleaned container in a sheltered place with cap removed. It will then be acceptable for recycling at any drumMUSTER collection or similar container management program site. The cap should not be replaced, but may be taken separately.

If not recycling, break, crush, or puncture and deliver empty packaging to an approved waste management facility. If an approved waste management facility is not available, bury the empty packaging 500 mm below the surface in a disposal pit specifically marked and set up for this purpose, clear of waterways, desirable vegetation and tree roots, in compliance with relevant local, state or territory government regulations. Do not burn empty containers or product.

SPILL AND LEAK MANAGEMENT

Do not touch or walk through spilled material. Wear a face-shield or goggles, overalls buttoned to neck and wrist, chemical resistant gloves and footwear. Stop leak when safe to do so. Dam area and prevent entry into waterways, and drains.

Small spills/leaks: Absorb with materials such as sand, soil or sawdust. Collect spilled product and place in sealable container for disposal. Spill residues may be cleaned using water and detergent. Contain and absorb wash water for disposal. Absorb and collect

washings and place in the same sealable container for disposal. Dam the area of large spills and report them to AIRR Apparent Pty Ltd.

SAFETY DIRECTIONS

- May irritate eyes.
- Avoid contact with the eyes and skin.
- DO NOT inhale spray mist.
- Repeated exposure may cause allergic disorders.
- When preparing spray, and using the product, wear elbow length PVC gloves and face shield.
- After use and before eating, drinking and smoking, wash hands, arms and face thoroughly with soap and water.
- After each day's use, wash gloves and face shield.

FIRST AID

- If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131126.
- If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor.
